

THE POWER OF PRAYER DISCUSSION SHEET

I hope you enjoyed my presentation regarding, "The Power of Prayer". Below are some follow-up questions and activities to help reinforce the 3 main themes of my program. The themes are as follows:

1. Prayer is direct communication with God.
2. There are many ways to PRAY!
3. God always answers your prayers, it's just that sometimes it's not the answer you expect!

- A. Take some time and discuss the different ways we pray.
- B. Take some time to pray with your students in a different form (i.e. silent prayer with music)?
- C. Take some time to talk about communication and why it is important to communicate with GOD?
- D. How does prayer help us grow as Christians?
- E. Ask the kids if they can think of some times when they prayed for something and it didn't turn out the way they hoped. Then asked what happened and do they think it work out for the better?
- F. Ask the children to share a prayer they know.
