"Dare To Be YOU!"

This unique & entertaining program from motivational magician BRIAN RICHARDS let's children know how special they are!

"I have worked in Police Administration since February of 1992, and you have performed magic at all of our yearly banquets since then. I know you also performed magic for us at previous banquets as well. It's always a pleasure working with you and the kids sure have a good time. As soon as they come in the doorway, they flock towards you! Our banquets are for the entire family to enjoy and it's really nice to see the kids having so much fun."

-Nancy Weber, Mpls. Police Dept

Hello, my name is Brian Richards and I am proud to share with you my very special program, "I Believe In ME". Besides having an exciting, fun and entertaining time the children will explore the following themes...

Great Goals Create GREAT Results.

Never, ever, ever give up!

You can do anything if you believe in yourself!

Another great benefit to this program is the handout that can be taken home OR used in class as a discussion sheet to further reinforce this program.

Of course at the end of the program I will give out my traditional "BIG BUCKS" that teach how to do magic tricks!!

One way I reinforce the themes in this program is by having the kids come up on stage and perform the magic. Proving that they can do anything if they put their mind to it. I also relate the inspiring story of Wilma Rudolph, the great olympian who was a child born with legs so weak she couldn't even walk. But with an incredible strong will and belief in herself (a belief instilled by her mother), not only did she learn to walk but won an Olympic GOLD medal in track and field.
