

“DARE TO BE YOU” DISCUSSION SHEET

I hope you enjoyed my presentation, “Dare To Be YOU”. Below are some follow-up questions and activities to help reinforce the 3 main themes of my program. The themes are as follows:

1. Great Goals Create Great Results...
 2. You must always BELIEVE in yourself!
 3. Never ever ever ever ever GIVE up!

- A. Take some time and discuss the importance of goals in your class (Review Class Goals).

- B. What gifts do we bring to our school?

- C. Have the kids decide on a skill or talent they would like to master by the end of the year. Then set-up a plan to learn that new skill (remember NEVER give up)...

- D. Talk about the famous figures in history who faced tremendous obstacles but made a point of believing in themselves and never giving up. You could spend a whole week discussing a different person each day. (Some possible people are: Martin Luther King, Abraham Lincoln, Thomas Edison, Lance Armstrong, Wilma Rudolph, Helen Keller etc.)

- E. Take a moment and talk about perception. What assumptions do we make about people? Then take a moment and discuss whether it is fair to judge people based on things like how they look, what clothes they wear etc.

- F. Take some time to discuss what success means. Then talk about how those who give find the most rewards. It's not enough to believe in yourself. You also need to help those who are less confident to feel better!
