

Kids Who Read “R” COOL

Dear Parent,

Your child took part in a program with educational entertainer Brian Richards called, “Kids Who Read ‘R’ COOL”. In an effort to make this program “educationally significant” we have sent this letter home with follow-up activities.

The main points that were discussed were as follows:

Reading expands your IMAGINATION!

The more you read the more you know!

Kids who read “R” COOL!

The simple activities included help to reinforce the important messages already shared during the program and reviewed in the classroom. If you would like more information about our presenter and the program he presented please feel free to visit his website at:

Thanks for your support and commitment to getting your kids EXCITED about reading!

Sincerely,

Brian Richards
